The annual spot check was discussed. It was determined that the spot check will be held on March 11, 2014.

Continued.

Jason Walker explained that the old Soil and Water District phone line has been disconnected. The reason for this is that NRCS has installed a new phone system and it could not support the District line. Jason explained that we could keep the old line if we wanted to have two phones on each desk. It was decided by consensus that we should disconnect the old line and use the federal phone system.

The speech contest awards were discussed. It was decided by consensus that we should increase the award limit to double the amount that was awarded last year.

Jason Walker discussed the Area 2 Spring meeting. He explained that registration was due by March 5th. He also said that if we call and say that we are going to pay at the door we will still be required to pay even if we do not attend.

Being no other business Van Hemric made a motion to adjourn. Bobby Matthews seconded. Motion carried 5-0.

Lenuel Chamberlain, Chairman
