Commissioner Comments

Commissioner Hemric has been looking forward to this day and is glad to be breaking ground on the new jail addition.

Commissioner Welborn stated it has taken a long time to get here because the new jail site started out in the wrong place. He is glad to be breaking ground today.

Commissioner Moxley stated it is good to see we are breaking ground on a much need jail addition.

Vice Chairman Zachary was not sure why previous boards had wanted to build a new jail somewhere other than downtown. The citizens wanted the jail to be kept downtown. He is glad the groundbreaking is today.

Chairman Austin stated a false start occurred a few years ago but things are on track now. We owe a debt of gratitude to the Yadkinville Town officials who helped facilitate this. With the groundbreaking today, we are putting a formal end on a long chapter here in Yadkin County and are starting a whole new chapter.

Groundbreaking

The Commissioners and the Sheriff donned hard hats, took up shovels, and broke ground on the new jail addition site.

Commissioner Moxley made a motion to adjourn. Commissioner Hemric second.

Vote: 5/0.
