# Helping Your Fire Department Protect Your Property

## DOES YOUR BUSINESS...

- Have a Sprinkler System
- Have a Monitored Fire Alarm System
- House or Dispense Hazardous Materials

If ANY of the above apply to your facility then the Knox Box system benefits you in the event of an emergency or false alarm.

The KNOX-BOX allows access to into your property when an emergency or alarm has been called into Yadkin County 911 Communications. The KNOX-BOX access provides faster emergency response without forced entry damage and time saving response to false alarms.

## DO YOU HAVE FAMILY WHO...

- Lives Alone
- Has Health Issues Requiring Well Fair Checks

The KNOX-BOX will allow for responding Fire Department to enter into the home once realizing the individual may not be able to open the door.

## Reasons to Install a KNOX-BOX®

**KNOX and your local fire department are working hand-in-hand to offer the best in fire protection and the finest in fast and secure emergency access.**

1. Eliminate needless, costly forced entry damage that may not be covered by your insurance deductible.
2. Assure immediate building entry by fire fighters without delay or waiting for building keys.
3. Protect inventory, equipment and supplies from unnecessary water damage caused by delayed sprinkler shut-off.
4. Satisfy local fire codes and emergency access ordinances.
5. Save time and aggravation by not having to drive to your building at 2:00am for a false alarm.

6. Feel secure about emergency coverage when your building is left unattended. The fire department holds the only key to the KNOX-BOX.
7. Maintain building security after a fire alarm investigation by simply re-locking the undamaged door.
8. Protect your property from thousands of dollars in damage with this one-time, low-cost investment.
9. Depend on the highest lock box security available with attack resistant, UL tested reliability.
10. Over the last 35 years, KNOX-BOX has been the chosen solution in more than 11,000 communities nationwide -
