Chair's Report:

The meeting was called to order by Vice Chair Eddie Wooten. Introductions were made.

The minutes of the previous meeting were adopted with the following correction: Eddie Wooten was not present at last meeting, but was not listed as absent.

Mr. Wooten relayed Mr. Hutchins' request for the formation of sub-committees needed to work on the Aging Plan goals, He asked for volunteers for each of the targeted areas. The following members volunteered:

Elder Abuse – Clara Matthews, Linda Williams, Brenda Adams;

Transportation – Margie Williams, Curtis Wall;

Publicity – Ruth Henderson

Any committee member who has not yet volunteered is asked to review the County Aging Plan goals and decide which focused goal is of most interest to serve on that sub-committee. The fourth area, in addition to those listed above, is updating/distributing a County Resource Guide for Older Adults.

County Manager Lisa Hughes noted that the County Aging Plan was approved by The Board of County Commissioners on November 19th. Thus, the work for the sub-committees can proceed.

Gary Knutson, Field Operations Manager for SHIPP, and Jeanie Schepisi, Piedmont Area Regional Manager, gave a presentation on SHIPP grants available. They also wanted the committee members to be aware of the need of coordinating site in Yadkin, if they become aware of a location that might be interested. Yadkin County has been without a SHIPP coordinator and host site for two years.

AAA Report

Teresa Jackson introduced Evelyn Smith from PTRC AAA to lead the discussion for the Transportation Focus Group. Questions were asked about the transportation needs of residents and caregivers in Yadkin County. Lunch was provided after the discussion group.

Units of Service and AAA Funded Provider Reports - The November Unit of Service Report was referenced with the target of 42%; the December report was just made available the morning of the meeting.

New Horizons Home Care, Inc. – Mandy Walters distributed the report:
