If the policy has changed, a new conflict of interest policy must be submitted. Remember to delete all instructions in blue italic, (highlighted in yellow).)*

The Board of Directors/Trustees or other governing persons, officers, employees or agents are to avoid any conflict of interest, even the appearance of a conflict of interest. The Organization's Board of Directors/Trustees or other governing body, officers, staff and agents are obligated to always act in the best interest of the organization. This obligation requires that any Board member or other governing person, officer, employee or agent, in the performance of Organization duties, seek only the furtherance of the Organization mission. At all times, Board members or other governing persons, officers, employees or agents, are prohibited from using their job title, the Organization's name or property, for private profit or benefit.

This is not intended to preclude bona-fide Organization fund raising-activities.

B. A Board or other governing body member may, with the approval of Board or other governing body, receive honoraria for lectures and other such activities while not acting in any official capacity for the Organization. Officers may, with the approval of the Board or other governing body, receive honoraria for lectures and other such activities while on personal days, compensatory time, annual leave, or leave without pay. Employees may, with the prior written approval of their supervisor, receive honoraria for lectures and other such activities while on personal days, compensatory time, annual leave, or leave without pay. D. **Duty to Disclosure** -- Any conflict of interest, potential conflict of interest, or the appearance of a conflict of interest is to be reported to the Board or other governing body or one's supervisor immediately.

E. **Board Action** -- When a conflict of interest is relevant to a matter requiring action by the Board of Directors/Trustees or other governing body, the Board member or other governing person, officer, employee, or agent (person(s)) must disclose the existence of the conflict of interest and be given the opportunity to disclose all material facts to the Board and members of committees with governing board delegated powers considering the possible conflict of interest. After disclosure of all material facts, and after any discussion with the person, he/she shall leave the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists. In addition, the person(s) shall not participate in the

final deliberation or decision regarding the matter under consideration and shall leave the meeting during the discussion of and vote of the Board of Directors/Trustees or other governing body.

F. Violations of the Conflicts of Interest Policy -- If the Board of Directors/Trustees or other governing body has reasonable cause to believe a member, officer, employee or agent has failed to disclose actual or possible conflicts of interest, it shall inform the person of the basis for such belief and afford the person an opportunity to explain the alleged failure to disclose. If, after hearing the person's response and after making further investigation as warranted by the circumstances, the Board of Directors/Trustees or other governing body determines the member, officer, employee or agent has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

G. Record of Conflict -- The minutes of the governing board and all committees with board delegated powers shall contain:

Notwithstanding other provisions of federal OMB Circulars A-122 and A-87, costs associated with the following activities are unallowable:

Paragraph A.

- (1) Attempts to influence the outcomes of any Federal, State, or local election, referendum, initiative, or similar procedure, through in kind or cash contributions, endorsements, publicity, or similar activity;
- (2) Establishing, administering, contributing to, or paying the expenses of a political party, campaign, political action committee, or other organization established for the purpose of influencing the outcomes of elections;
- (3) Any attempt to influence: (i) The introduction of Federal or State legislation; or (ii) the enactment or modification of any pending Federal or State legislation through communication with any member or employee of the Congress or State legislature (including efforts to influence State or local officials to engage in similar lobbying activity), or with any Government official or employee in connection with a decision to sign or veto enrolled legislation;

- (4) Any attempt to influence: (i) The introduction of Federal or State legislation; or (ii) the enactment or modification of any pending Federal or State legislation by preparing, distributing or using publicity or propaganda, or by urging members of the general public or any segment thereof to contribute to or participate in any mass demonstration, march, rally, fundraising drive, lobbying campaign or letter writing or telephone campaign; or
- (5) Legislative liaison activities, including attendance at legislative sessions or committee hearings, gathering information regarding legislation, and analyzing the effect of legislation, when such activities are carried on in support of or in knowing preparation for an effort to engage in unallowable lobbying.

The following activities as enumerated in Paragraph B are excepted from the coverage of Paragraph A:
Paragraph B.

- (1) Providing a technical and factual presentation of information on a topic directly related to the performance of a grant, contract or other agreement through hearing testimony, statements or letters to the Congress or a State legislature, or subdivision, member, or cognizant staff member thereof, in response to a documented request (including a Congressional Record notice requesting testimony or statements for the record at a regularly scheduled hearing) made by the recipient member, legislative body or subdivision, or a cognizant staff member thereof; provided such information is readily obtainable and can be readily put in deliverable form; and further provided that costs under this section for travel, lodging or meals are unallowable unless incurred to offer testimony at a regularly scheduled Congressional hearing pursuant to a written request for such presentation made by the Chairman or Ranking Minority Member of the Committee or Subcommittee conducting such hearing.
- (2) Any lobbying made unallowable by subparagraph A (3) to influence State legislation in order to directly reduce the cost, or to avoid material impairment of the organization's authority to perform the grant, contract, or other agreement.
- (3) Any activity specifically authorized by statute to be undertaken with funds from the grant, contract, or other agreement.

Paragraph C.

- (1) When an organization seeks reimbursement for indirect costs, total lobbying costs shall be separately identified in the indirect cost rate proposal, and thereafter treated as other unallowable activity costs in accordance with the procedures of subparagraph B.(3).
- (2) Organizations shall submit, as part of the annual indirect cost rate proposal, a certification that the requirements and standards of this paragraph have been complied with.
- (3) Organizations shall maintain adequate records to demonstrate that the determination of costs as being allowable or unallowable pursuant to this section complies with the requirements of this Circular.
- (4) Time logs, calendars, or similar records shall not be required to be created for purposes of complying with this paragraph during any particular calendar month when: (1) the employee engages in lobbying (as defined in subparagraphs (a) and (b)) 25 percent or less of the employee's compensated hours of employment during that calendar month, and (2) within the preceding five-year period, the organization has not materially misstated allowable or unallowable costs of any nature, including legislative lobbying costs. When conditions (1) and (2) are met, organizations are not required to establish records to support the allowability of claimed costs in addition to records already required or maintained. Also, when conditions (1) and (2) are met, the absence of time logs, calendars, or similar records will not serve as a basis for disallowing costs by contesting estimates of lobbying time spent by employees during a calendar month.
- (5) Agencies shall establish procedures for resolving in advance, in consultation with OMB, any significant questions or disagreements concerning the interpretation or application of this section. Any such advance resolution shall be binding in any subsequent settlements, audits or investigations with respect to that grant or contract for purposes of interpretation of this Circular; provided, however, that this shall not be construed to prevent a contractor or grantee from contesting the lawfulness of such a determination.

Paragraph D.

Executive lobbying costs. Costs incurred in attempting to improperly influence either directly or indirectly, an employee or officer of the Executive Branch of the Federal Government to give consideration or to act regarding a sponsored agreement or a regulatory matter are unallowable. Improper influence means any influence that induces or tends to induce a Federal employee or officer to give consideration or to act regarding a federally sponsored agreement or regulatory matter on any basis other than the merits of the matter.

What is a Private Non Profit Agency?

Answer: A private non profit is an organization that is incorporated under State law and whose purpose is not to make a profit, but rather to further a charitable, civic, religious, scientific, or other lawful purpose. The Secretary of State's office grants corporate status to organizations in North Carolina.

What is a 501(c)(3) designation?

Answer: When the agency becomes a state private non profit corporation, it can then apply for 501(c)(3) designation through the IRS. Once the IRS grants 501(c)(3) status, the organization is exempt from certain taxes and any donations to the charitable organization are tax deductible. Many individuals and organizations prefer to make donations to 501(c)(3) private non profits.

Who can obtain a 501(c)(3) designation?

Answer: Any organization or group can apply for 501(c)(3) status, provided their charter or mission focuses on the non profit's objective.

Another option is to apply for a 509(a)(1) status which falls under the 501(c)(3) umbrella. Being a 509(a)(1) designates an organization as a tax-free public charity that receives most of its support from a governmental unit or from the general public. Becoming a 509(a)(1) provides public recognition of tax-exempt status, advance assurance to donors of deductibility of contributions, exemption from certain State and federal taxes, and non profit mailing privileges. Organizations that typically qualify are churches, educational institutions, hospitals, and governmental units.

To learn more about non profits, visit www.irs.gov, or call the tax-exempt helpline at 877-829-4933.

How does a Private Non Profit obtain Tax Exempt Status?

A private non profit must apply to the IRS for tax exempt status. To qualify, applicants must complete and submit to the IRS Form 1023. Once federal tax exempt status is granted, the private non profit applies for State tax exempt status by completing Form CD-435 and submitting it to the N. C. Department of Revenue.

(Instructions in blue italic should be deleted. This Attachment applies to non governmental contracts determined as financial assistance, by the Contract Determination Questionnaire. The grantee's reporting threshold may change from year to year; they should be reminded of the reporting requirements on a yearly basis. This Attachment references GS143C-6-22 & 23 which is effective as of July 1, 2007.)

Attachment L Notice of Certain Reporting and Audit Requirements

Grantee shall comply with all rules and reporting requirements established by statute or administrative rules. All reports must be submitted to the addresses below.

The applicable prescribed requirements are found in North Carolina General Statute 143C-6-22 & 23 entitled "Use of State Funds by Non-State Entities" and Implementation of Required Rules, 09 NCAC 03M .0102 -0802, North Carolina Administrative Code, issued September 2005.

The Contractor's fiscal year runs from July 1, 2016 to June 30, 2017.

G.S. 143C-6-23 requires every nongovernmental entity that receives State or Federal pass-through grant funds directly from a State agency to file annual reports on how those grant funds were used. There are 3 reporting levels which are determined by the total direct grant receipts from all State agencies in your fiscal year:

- Level 1: Less than \$25,000
- Level 2: At least \$25,000 but less than \$500,000
- Level 3: \$500,000 or more

A grantee's reporting date is determined by its fiscal year end and the total funding received directly from all State agencies. For those grantees receiving less than \$500,000, the due date is 6 months from its fiscal year end. For those receiving \$500,000 or more, the due date is 9 months from its fiscal year end. In addition to the reports, grantees receiving \$500,000 or more must submit a yellow book audit in electronic or hard copy to the Office of the State Auditor and to all funding State agencies at the addresses below.

All annual grantee reports required by GS 143C-6-23 must be completed online at www.NCGrants.gov. The online reporting system will automatically place your organization on the Noncompliance list if your reports have not been completed in www.NCGrants.gov by your required due date.

To access the online grants reporting system go to www.NCGrants.gov and click on the LOGIN tab at the top of the page. You must have a NCID to access the online reporting system. To obtain a user manual or request assistance with the system please go to https://www.ncgrants.gov/NCGrants/Help.jsp. You can also email requests for assistance directly to NCGrants@osbm.nc.gov.

Once you have logged in you will see your "Grantee Summary / Data Entry Screen".

- Your summary screen will identify your correct level of reporting, i.e., Level 1, 2 or 3, based on the State grant funds paid to your organization during your fiscal year.
- The summary will show all the grants contained in the www.NCGrants.gov system that have been awarded to your organization. The program will automatically provide links to the reports that correspond to your reporting level, and only those reports, for each grant. Check to make sure that the grant(s) shown in the system correspond with what you show as having received from each agency for your fiscal year.
- If you have questions, need help in resolving any differences between your records and online reporting system or need corrections to be made to the data you enter, send an e-mail to NCGrants@osbm.nc.gov to request help.

All grantees must file their required reports online at www.NCGrants.gov without exception.

IMPORTANT NOTE FOR AUDITS

If you expend more than \$500,000 in Federal grant funds from all sources, then you must have an A-133 single audit performed. If you are at this level for federal reporting and you are required to file a yellow book audit with the State under G.S. 143C-6-23, then you may substitute the A-133 audit for the yellow book audit.

If you are required to have an A-133 audit performed and you receive any Federal grant funds passed through the North Carolina Department of Health and Human Services, you are required to file the A-133 audit with the North Carolina Department of Health and Human Service.

If you expend more than \$500,000 and you are required to file a yellow book audit with the State Auditor under G.S. 143C-6-23, then you are also required to file the yellow book audit with the North Carolina Department of Health and Human Service.

A planned enhancement to the system is the capability for the grantee to directly upload a pdf version of their audit directly into the online system where it will be accessible to both the funding agency/agencies and the Office of the State Auditor.
