## COUNTY MANAGER’S REPORT February 23, 2024

### Sales Tax

Sales tax growth is starting to level off, if not decline a little compared to last fiscal year.

### Vacancy Report

This week we have 22 vacancies, excluding the 1 of the 5 positions yet to be filled that was created in December. Over half of these positions (12) are in Human Services. Human Services consistently has the highest number of openings within the County and has

hovered around 11-12 vacancies for the last few months. One of these vacancies is in the Sheriff's Office, 4 in Emergency Services and 1 in Solid Waste.

### ***Financial Summary***

Exhibit A contains the General Fund's Financial Summary through January 31, 2024.

### ***Detention Center State Inspection***

The Detention Center is inspected on a regular basis and sometimes they find minor things that need to be fixed or corrected. However, this during the one last week, we were made aware of a special inspection that must be completed on the smoke control system. We were never told this previously and until a recent code change, it was supposed to be inspected every 5 years and now it has been changed to annually. The inspector said that we were not the only Detention Center not testing this system and the ones that had been inspected recently failed. Dwayne is researching vendors to do these special inspections and has received one quote so far and it's \$12,500. Once he obtains a few more quotes, he will present a contract to the Board for approval.

### ***Vehicle Accidents***

When we have vehicle accidents that the damage is greater than our deductible (\$1,000), we file it out our insurance. Our property and liability insurance is through the NCACC's Risk Management Pool. Most of our vehicle accidents are in Emergency Services and the Sheriff's Office. In FY2023, Emergency Services had 9 accidents and the average claim amount was \$3,600.28. The Sheriff's Office had 6 accidents and the average claim was \$8,744.60. During the first 7 months of this fiscal year, Emergency Services has had 7 claims and the average claim was \$4,683.86. The Sheriff's Office has had 6 claims and the average claim was \$12,660.88. Two of the vehicles in the Sheriff's Office were considered totaled due to the amount of damage.

### ***Schools' Needs Based Grants***

Last month, the Board of Commissioners approved the Schools' Needs-Based Grant Applications for roof replacements at East Bend Elementary, Starmount High School and Yadkinville Elementary as well as the West Yadkin Elementary Gym Renovation and an addition to Forbush Middle School. Dr. Martin and I received an email from NCDPI that none of our applications were awarded funding.

### ***Solid Waste Convenience Sites***

Paving is going to start next week at the Maranatha Church Road site and the Catherine Lane site. They are trying to coordinate paving with days the sites are closed so as not to impact citizens' ability to utilize the sites.

### *EMS Forbush & Fall Creek Outposts*

Dwayne continues to gather information and quotes for making it possible for the ambulances at these two outposts to pull through the garage rather than backing in since both locations already have garage doors on the back of the facility. Both of these buildings replaced trailers that were used for outposts previously and they had existing septic systems and wells. Apparently, the tail lines for the septic systems are behind both buildings. During construction of the current building in Forbush they hit the tail lines when they were grading at the back. Environmental Health visited the locations today and said that we should be okay at Fall Creek. However, at Forbush, he noticed a leak and said the tail lines are failing and need to be repaired. With this repair, we can go ahead and move the tail lines and allow use of the back garage doors.

### *America 250*

The NC Department of Natural and Cultural Resources has announced a new grant program for communities to fund activities related to the upcoming American 250 commemoration. One of the first steps is to establish a local committee if the County wants to partner with the State on this commemoration. Grants are available to County Committees and Communities. Exhibit B contains a copy of the letter received from DNCR.

### *Legislative Goals*

It's time to start thinking about Legislative Goals to submit to the NCACC. The submission process will kick-off in May.

### *Upcoming Dates*

**March 4 at 1pm** is the Groundbreaking at the EMS Outpost in Jonesville.

**March 16, 6:30pm**, Fire and Rescue Association Annual Dinner at the Agricultural & Educational Building's Banquet Hall.

Cooperative Extension Report to the People, dinner is included, **March 18 at 5:00pm** at the Agricultural & Educational Building's Banquet Hall.

**March 27, 12:30pm-2pm**, will be the NCACC District 18 Meeting in Forsyth County. More details to come.

Ribbon cutting of the Yadkin County Library's Story Walk at the County Park, **April 1 at 11:00am**.

NCACC's County Advocacy Days will be held in **June** over 2 days (evening & next morning) in Raleigh, like last year.

The NCACC Annual Conference will be held **August 8-10** in Forsyth County.

February 15, 2024

Dear County Leader,

The North Carolina Department of Natural and Cultural Resources (DNCR) is excited to announce the availability of a new grant program for communities to fund activities related to the upcoming America 250 commemoration. DNCR is leading the statewide effort to plan for the commemoration, and our goal is to energize **broad, robust, and comprehensive programs** across ALL of North Carolina's 100 counties.

We are fast approaching important anniversaries of key state and national events from the Revolutionary War period. April 12, 2026, will mark 250 years since the Fourth Provincial Congress met in Halifax and passed a resolution that authorized its delegates to the Continental Congress to seek independence from the British. A few short months later all colonial representatives in Philadelphia passed the Declaration of Independence on July 4, 2026, and a new nation was born. North Carolina will mark this anniversary with wide ranging activities across a multi-year commemoration beginning April 12, 2024, with a focus on 2026. DNCR is planning a variety of activities, educational resources, and special events throughout the commemoration. We invite you to learn more on our website for [America 250 NC](https://www.america250.nc.gov).

As DNCR fosters the commemoration statewide, we seek to generate a spirit of collaboration across counties, municipalities, non-profit and tourism sectors, and civic organizations. The grants are designed to spark programs and activities on a local level to create a memorable and meaningful commemoration. Our [program field guide](#) includes planning resources and ideas that may help your county identify programs and activities that will resonate with your communities.

Official county America 250 NC committees are eligible to apply for grants. Eligible projects include public art, educational activities, community events, exhibits, scholarly research, printed resources, and oral history projects, among a host of other activities. This first round of applications will be the only time that counties will be able to apply for these funds without having to match any of the award in cost sharing or cash-in-hand. For information on forming your county committee, please visit the "Get Involved" tab at our website. For more information on grant eligibility, application components, and required documentation, please visit our website: <https://www.america250.nc.gov/grants>

The America 250 NC team is available to help with questions about the grant program, the application, and award process, or any other related topics. Please reach out to our team email at [america250nc@dnrc.nc.gov](mailto:america250nc@dnrc.nc.gov) and be sure to use AMERICA 250 NC GRANT in the subject heading.
