COUNTY MANAGER’S REPORT March 15, 2024

Sales Tax

January was the highest month of sales tax collections the County has ever received. Many economists believe that sales tax will now level off. In the past, Yadkin County has fared much better than other counties in when the economy has taken a downward turn. We will continue to monitor sales tax collections, but we should reach our estimated budget amounts.

Medicaid Hold Harmless

Since the “Medicaid Swap” that occurred in 2009, counties have received Medicaid Hold Harmless funds from the State to “make us whole” since they took our Article 44 sales tax. Because counties are the ones who benefit from no longer have to pay the administration costs of Medicaid, the State requires us to hold cities/towns harmless and they take the amount cities/towns would have received in the Article 44 sales tax from counties Article 39 sales tax.

The State provides counties 90% of the estimated Medicaid Hold Harmless funds in March every year and then true-up the amount in August. In FY2021, Yadkin County received \$1,180,026 in Medicaid Hold Harmless funds; \$1,450,108 in FY2022 and \$1,653,376 in FY2023 and estimated \$1,587,339 in FY2024. Based upon numbers that were released this week, the estimated for FY2024 has decreased to \$1,045,705. This amount is \$541,635 less than what was budgeted.

Reasoning for the decrease is being explored, but some think it is because sales tax in general is stabilizing and others think it may be due to Medicaid expansion. The bill that expanded Medicaid prohibits an impact to the Hold Harmless, but the NCACC is trying to verify that it doesn’t have anything to do with the decrease. Lindsey and I are watching it to see what happens over the next few weeks and may look at areas to cut expenditures due to the loss of revenue.

Financial Summary

Exhibit A contains the Financial Summary for the General Fund through February 29, 2024.

Schools Finance Report

Exhibit B contains a Financial Profile for the Yadkin County Public Schools as prepared by DPI.

Vacancy Report

This week we have 20 vacancies, excluding the 1 of the 5 positions yet to be filled that was created in December. The one that hasn’t been filled yet is in Solid Waste, but it has been offered to a candidate. Human Services has 9 vacancies this week. Two of these vacancies is in the Sheriff’s Office and 5 in Emergency Services.

State Direct Grants

The Scopes of Work have finally been approved by OSBM and have now been send to the Controller’s Office for final approval. Valarie Hunter with OSBM stated that it can take up to 30 days for the Controller’s Office to review and accept everything. Once they are accepted by the Controller’s Office, they will send us the MOA to sign. Funds will be disbursed to us approximately 2 weeks after the MOA is returned to OSBM.

EMS Meetings

During one of the recent EMS QI/Peer Review Meetings, concerns with the Surry Community College paramedic program were discussed. Some of the concerns are also shared by Surry County EMS, which Dr. Edsall is also their Medical Director. We scheduled a meeting with Dr. Shockley to discuss the concerns. Dr. Edsall, Keith Vestal, me and the County Manager and EMS Director from Surry County attended the meeting in February. This week we had a follow-up meeting that also included Doug Underwood and representatives from the SCC EMS Program. Topics discussed included recruitment to the paramedic field, preparing potential students for the admissions' testing, clinicals and preparation for the certification testing. The Committee will meet again on April 10th.

Legislative Goals

It's time to start thinking about Legislative Goals to submit to the NCACC. The submission process will kick-off in May.

Conferences and Trainings

The Upcoming Dates section below includes several Conferences and meetings that require pre-registration. As a County, we try to be good stewards of County funds and take advantage of early bird registrations, when registration fees are at their lowest point. Most of these registrations, as well as hotel registrations, have cancellation dates to receive full refunds or partial refunds. If these cancellation dates are not met, the registration fees and / or hotel fees are not-refundable.

For example, last year we had 4 Commissioners register for the NACo Conference (\$530.00 per registration) and 1 Commissioner cancelled after the cancellation date, so the County lost \$530.00. This amount was almost 22% of the total cost for a Commissioner to attend the Conference (hotel, flight, meals/incidentals- an average of \$2,421 for each Commissioner who attended).

Attending Conferences and Trainings is beneficial to employees and Commissioners, however, we all need to be cognizant of the costs involved and the commitments to attend once registered.

Please note the early bird registrations in the Upcoming Dates below and ask Tanya about cancellation dates in the event you register and are later not able to attend. Tanya is the point of contact for the Commissioners to register for Conferences and Trainings.
