COUNTY MANAGER'S REPORT

December 20, 2024

Sales Taxes

Sales Tax Revenues 2021-2025

Sales taxes are up around 1% over the first quarter of last fiscal year. This is a little behind where we should be after the first quarter of the current fiscal year budget. As you can see in the chart above, these sales tax collections are for sales that were made in July, August and September. We will continue to watch these collections.

Vacancy Report

There are 14 vacancies this week. Human Services has 6 vacancies, all in the Social Services Division. The Sheriff's Office has 3 positions vacant, Emergency Services has 4

vacancies and the Tax Assessor's Office has 1 vacancy. Eleven of these positions have been vacant over 30 days, with 5 of them being in Human Services. Four of these positions (2 in Human Services) have been vacant over 100 days.

Solid Waste

The compactors and passed the electrical inspections. They should be in operation tomorrow. Jason Roels is getting acclimated to his new role and is very excited about the opportunities he sees for improvement in Solid Waste.

GovDeals Surplus Auctions

Five real properties declared surplus by the Board were sold through public auction on GovDeals. The lowest sale was \$1,500 for a parcel on Wishon Road and it received 15 bids. The highest sale was the Butler (Hoots) Road property that received 168 bids and sold for \$123,000.

Financial Summary

Exhibit A contains the Financial Summary for the General Fund through the month of November.

NCDOT Project Update

NCDOT has several projects occurring in Yadkin County. Two of the most notable are the roundabouts to be constructed on Speer Bridge replacing the multiple stop signs on both sides of the bridge. In May we were told they would start work on them in November and now we are told they are waiting until summer when school is out.

Another project is the replacement of the bridge crossing the Yadkin River on Old Hwy 421. There is a lot of misinformation in the community and people think homes will be relocated and septic systems impacted. I communicated with the Lead Planner on this project and she stated that no homes are being relocated. The HOA at Riverpoint have asked that I meet with them in January to help provide them factual information. I am reviewing the plans with the Lead Planner Monday and will follow-up with the Riverpoint HOA President. I can only relay to them the information I am being told, but perhaps someone from the engineering company or NCDOT would be willing to meet with them as well. This project was open for public comment through November and received very few comments. The link to this project is:
