## **COUNTY MANAGER'S REPORT**

### **February 17, 2023**

#### ***Opioid Settlement and Action Coordinator***

This week has been active on the Opioid Settlement front. We received updated information from the NCACC about the additional Opioid Settlements coming to counties. The Board of Commissioners will need to approve a resolution joining the settlements and authorize staff to sign the settlement paperwork. All of this needs to be completed by April 18<sup>th</sup>, so you will see the resolution soon on an agenda for the Board meeting.

We continue to recruit for the Opioid Action Coordinator position and have another interview Monday morning.

#### ***FY2024 Budget***

Lindsey Cearlock and I are meeting with Clayton Campbell and Lindsay Cranford to review and discuss the estimate values that the Tax Office has for reval and next year's budget.

Once we are confident in the numbers, we will need to resume the Budget Retreat from Monday.

#### ***Recycling Grant***

Brock submitted another grant application this week for recycling that would concrete an area at the Landfill for white goods and possibly metal. It is a \$30,000 grant with a 20% match.
