## LOST PET TIPS FOR DOG AND CAT OWNERS

Call 24PetWatch @ 1-866-597-2424  
to report them missing and update your information.

**Search**  
your house and yard.

Make large **posters** with  
a recent photo and  
your phone number.

**Post their  
pictures**

on facebook, twitter, and any other  
websites that may be helpful.

Call and visit local  
**veterinarians  
and shelters.**

**Place any strong scented  
personal articles outside  
of your home**

(Dog bed/ blanket or an article of your clothing for a  
dog, or dirty kitty litter marked with their scent for cats.)

**Ask your  
immediate  
neighbors**

dogs and cats are always looking for  
friends to play with, they will typically  
end up at neighboring houses,  
parks or schools or areas with other  
animals or large groups of people.

**Make noise,**  
like calling your pet's name,  
while you walk around the  
neighborhood.  
**Animals respond to sound.**
