and Public Hearing for  
Proposed Economic Development for FY20-21  
and Public Hearing for  
Proposed FY20-21 Budget**

The Proposed FY20-21 Budget has been submitted to the Yadkin County Board of Commissioners. A copy is available for public inspection on the Yadkin County website. On June 11, 2020 at 7:00pm, a Special Meeting will be held in the Commissioners' Meeting Room in the Human Resources Building. There will be a Public Hearing on the Proposed Economic Development appropriation for FY20-21 and a Public Hearing on the Proposed FY20-21 Budget.

The Public Hearing on Economic Development is being held for the purpose of complying with the requirements of North Carolina General Statue 158-7.1 by receiving public comment on the proposed expenditure of funds to Yadkin County's Economic Development Partnership (EDP), pursuant to EDP's request for the same. The EDP will continue to promote development and infrastructure improvements in Yadkin County, and where appropriate, will help facilitate due diligence on potential properties. These and other economic development activities will be part of EDP's programmatic design. The Board of Commissioners will consider granting EDP's request for funds by making an allocation to EDP in the FY20-21 Budget.
