

# Financial protection that fits your needs

## With most plans:

- Coverage is available for your spouse and eligible dependent children.
- Benefits are paid directly to the insured, unless specified otherwise.
- You can take your coverage with you when you retire or change jobs, with no increase in premiums.
- You may receive benefits regardless of any insurance you have with other companies.

Everyone's benefit needs are different. That's why it's important to choose the benefits that are right for your personal situation.

Complete this page and **return it to Brittany Kirkpatrick**. During your session, you'll learn how these products fit into your overall benefits package and how they can help protect what you've worked so hard to build.

**YES! I would like to learn more about the following benefits:**

(Indicating you are interested in benefits does not obligate you in any way.)

- Accident insurance** — Helps offset unexpected medical expenses, such as emergency room fees, deductibles and co-payments that can result from a fracture, dislocation or other covered accidental injury.
- Cancer insurance** — Helps offset the out-of-pocket medical and indirect, non-medical expenses related to cancer that most medical plans don't cover.
- Critical illness insurance** — Supplements your major medical coverage by providing a lump-sum benefit you can use to pay the direct and indirect costs related to a covered critical illness.
- Hospital insurance** — Provides a lump-sum benefit for a covered hospital confinement or outpatient surgery to help with co-payments and deductibles that are not covered by most major medical plans.
- Life insurance** — Enables you to tailor coverage for your individual needs and helps provide financial security for your family members.

**I want to keep my current coverage. I don't want to add new coverage or change my current coverage.**

**I have questions about my current coverage and would like to review them with a benefits counselor.**

**I am not interested in coverage and I am waiving participation.**
