"Yadkin County Board of Commissioners after action Report for August 21, 2023"

During the August 21, 2023 Board meeting, the Yadkin County Board of Commissioners took the following action:

- Proclaimed August 2023 as Child Support Awareness Month in Yadkin County.
- Approved a contract amendment and budget amendment for Appalachian District Health to roll forward unspent Environmental Health (ARPA) Funds, from fiscal year 2023.

During her Manager's report, Lisa Hughes discussed the August discount period for payment of tax bills and informed the board that there was no statutory authority to extend the discount period beyond August. She also notified the Board of the Town of Yadkinville's intent to commence with due diligence for the property located at 205 E. Main St. which has not yet been declared surplus property. The County Manager is also seeking guidance from the North Carolina Association of County Commissioners in regard to the County policy on requiring workers compensation insurance for all service contract vendors. The Board of Commissioners authorized the County Manager and County Attorney to negotiate an agreement with Yadkin Family YMCA for use of the county pool.
