Yadkin County GIS -
https://gis.yadkincountync.gov/

Why regulate?

Development is regulated to protect people and property, reduce future loses, and to ensure flood insurance and federal disaster assistance are available.

Contact staff

- Office location: 213 E Elm St, Yadkinville, NC 27055
- Phone: (336) 849-7905
- Email: permitting@yadkincountync.gov

Build responsibly!

Get a permit from the Central Permitting Department located at 213 E Elm St, Yadkinville, NC 27055.

A permit is required for any development or manmade change. A few examples are:

- Construction of new buildings or additions
- Improvements and repairs
- Accessory buildings
- Manufactured homes
