## Legal Notice

The County of Yadkin assumed possession of certain medical records when Yadkin Valley Community Hospital closed May 22, 2015. These medical records are paper files and radiographs.

If anyone would like to retrieve their medical record, please call (336) 849-7900 before February 28, 2025 and with proper identification, the medical record will be released to you. After this date, all medical records will no longer be available and will be destroyed.
