

NC Farm Succession Seminar

Presented by Stephen Bishop, Western Director, NC FarmLink and
McKayla Robinette, Farm and Ranch Stress Assistance Network Coordinator,
NC Agromedicine Institute

FACT: Over half of NC farmers are over the age of 65.

**FACT: The USDA estimates nearly 70% of farmland will
change ownership over the next two decades.**

Are you ready to pass the farm on to the next generation?

Join us for this FREE informative seminar!
