

The Yadkin County Human Services Agency is excited to share our **Healthy NC 2030 Scorecard for Yadkin County**. This scorecard supports the Community Health Improvement Plan (or CHIP), which guides the long-term, systematic efforts for addressing public health issues in Yadkin County based on the results from the Community Health Assessment (CHA). The scorecard outlines the efforts being made in Yadkin County to address three of the health priorities identified in the CHA:

- **Behavioral/Mental Health/Substance Misuse**
- **Physical Health of Children**
- **Physical Health of Seniors**

Review the 2023 [Yadkin County Community Health Assessment](#).

Results-Based Accountability

Results-Based Accountability (RBA) is a data-driven, disciplined way of thinking and acting to improve complex health issues. RBA drives this community health improvement plan. In the table below, the key components of RBA have been defined.

Instructions: For each priority you will see a result statement, state and local level indicators, programs, and performance measures. Click anywhere on the scorecard to learn more about the programs and initiatives taking place to improve health outcomes in Yadkin County. The icons below represent the main components of the scorecard.

Term	Definition	Icon
Results	Results are conditions of well-being we would like to see for Yadkin County	R
Indicators	Indicators are measures that help quantify the achievement of the result	I
Programs	Programs are programs, policies, activities or initiatives	P
Performance Measures	Performance Measure: How to quantify the impact and effort of a program.	PM
Policy	Policy: A course of action that has been adopted or proposed by a government, business, or individual.	PY
Clinical Care	Clinical Care: Anything related to the direct medical treatment or testing of patients.	CC
Task Force	Task Force: A temporary group of individuals from different organizations that agree to work together to impact a result.	TF
Activity	Activity: Any behavior or action that is not a program, policy, strategy, etc.	A
Coalition	Coalition: A group of individuals from different organizations that agree to work together to impact a result.	CO
