For Immediate Release
October 9, 2025

The Yadkin County Board of Commissioners has contracts with local non-profit volunteer fire departments to provide fire protection services and to respond to limited medical calls. The Board approved annual contracts for FY2026 with 9 of the 10 volunteer fire departments within the County.

Boonville Community Volunteer Fire Department did not have a contract with the County. Since July 1, 2025, the surrounding volunteer fire departments have been providing automatic aid to the Boonville District. We appreciate all the efforts by the surrounding volunteer fire departments to support Boonville citizens during this difficult time.

In recognizing the importance of providing fire services to their citizens, Boonville Community Volunteer Fire Department members and Boonville Community Volunteer Fire Services members have spent the past few months working together to establish a merger. On August 28, 2025, the Boonville Community Volunteer Fire Department and Boonville Community Volunteer Fire Services members met and voted to elect a new seven-member Board of Directors. The new Board of Directors has been working together with staff and citizens on restarting fire services for the Boonville District. Through their hard work and dedication, they have demonstrated their desire to provide high-quality fire services to the citizens of the Boonville District. The Board of County Commissioners officially approved a Fire Services Agreement with Boonville Community Volunteer Fire Department on October 6, 2025. The Boonville Community Volunteer Fire Department Board of Directors approved the County Fire Services Agreement on October 8, 2025. With both boards approving the Fire Services Agreement Boonville Community Volunteer Fire Department will be able to resume providing fire services to the citizens of Boonville on Thursday, October 9th at 12:00 pm.

The Board of County Commissioners appreciates all the efforts by the Boonville Community Volunteer Fire Department on working towards providing fire services to the Boonville District. In addition, we appreciate all the support from the surrounding volunteer fire departments over the past three months to continue serving the Boonville citizens.
